If assembling in position as shown here, first remove this clip from the Mesh Panel Right Side (114.0076). If assembling on the opposite side of the run, first remove the opposite clip from the Mesh Panel Left Side (114.0077) instead.

• **DE** Bei der Montage in der hier gezeigten Position entfernen Sie zuerst diesen Clip von der rechten Seite des Gitterelements (114.0076). Wenn Sie die Montage auf der gegenüberliegenden Seite des Auslaufs vornehmen möchten, entfernen Sie stattdessen den gegenüberliegenden Clip von der linken Seite des Gitterelements (114.0077)

• **FR** Si l'assemblage se fait dans la position illustrée ici, retirez d'abord ce clip du côté droit du panneau grillagé (114.0076). Si l'assemblage se fait de l'autre côté de l'enclos, retirez d'abord le clip opposé, soit celui du côté gauche du panneau grillagé (114.0077).

• **NL** Als u de deur monteert in de positie zoals hier weergegeven, verwijder dan eerst de clips aan de rechterzijde van het paneel (114.0076). Als u de deur aan de andere kant van de ren monteert, verwijder dan eerst de clips aan de linkerzijde van het paneel (114.0077).

• **IT** Se l'assemblaggio avviene nella posizione mostrata qui, prima rimuovere questa clip dal pannello a rete del lato destro (114.0076). Se l'assemblaggio avviene sull'altro lato del recinto, prima rimuovere la clip opposta dal pannello a rete del lato sinistro (114.0077).

• **SE** Om du monterar i positionen som visas här, ta först bort denna klämma från nätpanelens högra sida (114.0076). Om du monterar på motsatt sida av hönsgården, ta först bort den motsatta klämman från nätpanelens vänstra sida (114.0077).

• **DK** Hvis du samler den på den viste position, skal du først fjerne denne klemme fra netpanelets højre side (114.0076). Hvis du samler den på den modsatte side af løbegården, skal du først fjerne den modsatte klemme fra netpanelets venstre side (114.0077) i stedet.
